

## REGISTRATION AND TESTING INFORMATION FOR MATH PLACEMENT TESTS

Dear Parents/Guardians,

You are receiving this email because your child is registered to attend Saint John Vianney High School in the fall.

An in-house Math Placement Test is required for any student who was initially placed in (1) Algebra 1 Parts A and B; (2) Algebra 1; or (3) Honors Algebra 1 and wishes to be considered for a different course.

If you are satisfied with your child's recommended Math placement for next year, then you do not need to read this email.

If you do wish to change your child's recommended Math placement, then please read this email carefully, and use the link below to register for the appropriate diagnostic test.

There are two different diagnostic tests, depending on the recommended placement and the desired placement. If you do not remember the current recommended placement, please reach out to Ms. Shalkowski (at [sshalkowski@sjvsh.com](mailto:sshalkowski@sjvsh.com) or at 732-739-0800 ext. 252) prior to registering.

Current Recommendation	Desired Placement	Required Diagnostic Test
Algebra 1 Parts A and B	Algebra 1	Pre-Algebra Achievement Test
Algebra 1	Honors Algebra 1	Pre-Algebra Achievement Test
Algebra 1	PlaneGeometry/Trig	Algebra 1 Achievement Test
Honors Algebra 1	Honors Geo./Trig	Algebra 1 Achievement Test

The tests will be offered on the following days from 3:30 pm to 4:45 pm at Saint John Vianney High School:

- Thursday, May 1, 2025
- Monday, May 5, 2025

**To register:** Click [here](#) to register for a placement test on the date of your choice. This form is set so that it can only be submitted one time and cannot be revised once submitted. If you are unsure of your child's current recommended math course, or if you need to make any changes after submitting this form, please reach out to Mrs. Smith at [smith@sjvhs.com](mailto:smith@sjvhs.com). **The deadline for registration is Wednesday, April 16, 2025.**

The List of topics covered on each test can be found in the attachments to this email. Students wishing to place into Algebra 1 or Honors Algebra 1 will be tested on the topics listed for the Pre-Algebra Achievement Test. Students wishing to place out of Algebra and directly in Geometry will be tested on the topics listed for the Algebra 1 Achievement Test.
